WHY DO WE HAVE SEMINARS?
The purpose of Architectural Engineering Seminar is to expose students to the profession, the department, and the departmental student groups and their activities. Our student groups arrange the seminars and invite private companies to speak to the students. The company representatives, many being our own alumni, are excited to have the opportunity and are donating their time and travel to present at these seminars. Our student group leaders work hard to support the department and promote activities of interest for our wide range of students. The seminars are the one place where we all get together to receive student group and department information. It is for these reasons that we expect professionalism from the students, both in their seminar attendance and in their behavior during seminar. We realize not all topics will be of interest to all students, but we feel it is not too much to ask to show up and be attentive one hour per month to learn more about your future profession and colleagues. Start preparing now for the expectations of future employers.

WHAT ARE THE ATTENDANCE REQUIREMENTS?
Attendance is required at all four of the ARE seminars. However, students are allowed to use one CNS seminar as a make-up if they are unable to attend one of the ARE seminars. All other make-up credits shall be approved in advance by the instructor. Attendance will be taken at each seminar to verify credit - failure to sign the attendance sheet or scan your student ID will result in no credit for that seminar date. Signing the attendance sheet for others or scanning another student's ID is considered a violation of the K-State Honor System.

WHAT IF I HAVE A COURSE CONFLICT WITH SEMINAR?
For course conflicts with seminar, get help enrolling in the departmental office and see the instructor to be excused for the semester.

WHAT IF MY NAME DOESN'T APPEAR ON THE SIGN-IN SHEETS?
If your name does not appear on the sign-in sheet or does not pop up when your ID is scanned, you are not enrolled in seminar and should enroll in ARE 020 through KSIS as soon as possible. You can get help with enrolling in the departmental office, if necessary.

WHAT IF I DON'T ATTEND FOUR SEMINARS?
If you don't end the semester with four approved seminars attended, you will receive NO CREDIT (NC) which will result in a "hold" being placed on your KSIS account. The hold will prevent you from enrolling or modifying your course schedule until make-up credit is approved. A grade of NC will result in a "hold" being placed on your KSIS account. The hold will prevent you from enrolling or modifying your course schedule until make-up credit is approved.

Make-up papers for the current semester are due the last day of finals.
Make-up papers for prior semesters can be submitted at any time.
Completed papers should be sent by email to Ray Yunk or Derek Clements.

PAPER SPECIFICATIONS
One paper (or alternate make-up as determined by the instructor) is required for each missed seminar.

1. 10 pages (typed)
2. Double-spaced
3. 1" margins
4. Arial or Times Roman 12 font
5. In addition, provide a cover page and a reference page which do not count in the 10 pages.

For additional questions regarding make-up requirements, please contact:
